

Tenth Annual Outing on "The Dee" of St Mary's

Date: Sat. Oct 10, 2009

Time: 11:30 A.M.

Where: St Georges Island, Md.

Cost: \$45 pp

OK Folks – here we go again!!

This will be our tenth time sailing with Cap'n Jack and we always have a wonderful day on the water. From St Georges Island we sail up the St. Mary's River and back on an authentic skipjack built locally in St. Mary's County, and if you are interested you're welcome to take the wheel. The trip takes 2 hours. Along the way we will dine on steamed blue crabs, corn-on-the-cob, potato salad and fixin's as well as liquid refreshments.

Cap'n Jack also narrates a brief informative history of the area. The scenery is spectacular, the company is great and the weather is beautiful this time of year.

Space is limited to 35 people. This trip always fills up fast, so if you're interested give us a call. Sign up now so you won't be left "on the dock".
