

# Student Housing & Commuting Information

Rental insurance: Wherever you are renting, consider obtaining rental insurance. Most insurance companies offer rental insurance that can bring you some peace of mind. In the past, several students have had the need for this kind of coverage and they asked to pass this recommendation along to future students.

Regardless of whether you are renting from a company or private citizen, make sure you have some kind of rental agreement in writing. You can find free templates online if need be that can, again, bring you some peace of mind and set good expectations.

Rental scams: Recent news stories have indicated a rise in rental scams. Please be cautious. You can learn more here: [Rental Listing Scams | Consumer Advice](#)
